### **Summary**

Ambitious, driven, and fast learning professional transitioning his career from the practice of law to web development. An excellent communicator and team player who is ready to apply the problem-solving and analytic skills acquired through the practice of law to a new career in web development.

### **Key Skills**

#### **Technical**

Rails, Ruby, HTML, CSS/SASS, Javascript, Sinatra, SQL, PostgreSQL, Git, Mac OS X, Microsoft Windows

#### **General**

Problem Solving, Analysis, Critical Thinking, Communication, Collaborating, Leadership, Prioritizing

### **Experience**

**Metis**, Boston, MA

February 2014 - May 2014

*Ruby on Rails Developer*

- Learned the fundamentals of Ruby on Rails through building multiple web applications both individually and as part of a development team primarily using Rails, HTML, CSS, and JavaScript and practicing error driven development and SOLID Object Oriented Design.
- Developed application as part of a three person team that allows job seekers to showcase their respective skills and projects for prospective employers. Team responsibility for app architecture. Sole responsibility for implementing app graphing content and features relating to user skills.
- Built application that will allow users to track the touring schedule of their favorite bands and be notified as recordings of their favored artists' shows become available.

**Rose, Chinitz, & Rose**, Boston, MA

January 2000 – September 2012

*Associate*

- Civil trial and appellate litigation focused primarily on business and employment law.
- Regularly analyzed complex client problems and formulated multiple solutions or paths to arrive at solutions, including breaking down problems presented into component parts while maintaining a comprehensive vision for the case as a whole.
- Prioritized tasks and managed time constraints to satisfy client and court imposed scheduling deadlines.
- Negotiated and drafted various types of agreements, including non-disclosure and non-competition agreements, services contracts, employment agreements, and separation agreements.

### **Education**

**Metis**, Boston, MA

February 2014 - May 2014

A 12 week intensive, on-site Ruby on Rails web development bootcamp created and taught by thoughtbot, the premier Ruby on Rails consulting and development firm in the world.

**Boston University School of Law**, Boston, MA

Juris Doctor, May 1999

**University of Massachusetts**, Boston, MA

Bachelor of Arts, *summa cum laude*, in History, June 1996
